

ITS computer classrooms and labs: Windows software bundle

Version: HS 2020 – The rooms are supervised by ITS Service Delivery - Managed Services

Windows software bundle

Software not included in the following list, can be requested at least four weeks before the course date.

Please note, that there will be no installation of new software shortly before and during ETH session examinations (calendar weeks 2-7 and 30-35).

Software must be ordered by using the [Service Desk online form](#).

If you want to organise an exam using these computers, please contact [Educational Development and Technology \(LET\)](#).
